iUniverse. Paperback. Book Condition: New. Paperback. 200 pages. Dimensions: 9.0in. x 5.8in. x 0.7in. Glenn Jackson has acquired hands-on leadership skills in both the public and private sectors. Following twenty-five years of service in the United States Air Force (USAF) and additional time in leadership positions in multiple private sector companies, he has amassed the wealth of his extensive professional training and developed an easy, comprehensive system to motivate employees and instill successful leadership skills in them. Growing leadership cannot be left to a generic, one-size-fits-all approach. Clarity is needed to develop and teach effective leadership skills. Leaders can easily become distracted in today's technologically-laden, fast-paced environment. They can successfully inspire leadership skills in others by managing through the daily chaos of modern society and developing their own character and abilities. Leaders must take ownership of their time and their relationships, practically develop leadership skills within themselves and expand their character in the highest manner. Growing Leadership: Managing Developmental Chaos provides clear instruction on how to preen through confusing, generic leadership models and establish serious development tools which will facilitate lasting, effective results and build deep commitment to the leadership development and growth process. Jackson's proven, consistent and energizing steps help obtain the most triumphant investment on a vital resource—a person's time. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
