Twenty-five writers divulge the special books—all 250 of them—occupying the prime real estate next to their beds: how they got there, what makes them stand out, what longings they fulfill. Along the way, the wordsmiths offer insights into their own literary pursuits and why reading is such a critical element of their craft. Many of the lists are humorously written, some including books not allowed by the owners bed because of their unseemly influence on the authors own writing.
