The Elder Care Atlas

By Tom Eaglehouse

Paperback. Book Condition: New. Paperback. 101 pages. The process of maturing over the years into retirement is not always smoothsailing. We are constantly involved inchanging situations - some to a greater extentthan others. Here is where the author, TomEaglehouse, can help. Preparing for our senior years is a process inwhich we should be mindful of, and plan forthroughout our lives. Most of us primarilywish to retain our independence. The factors of physical, mental and financial health arethree of the most important variables we willdeal with along the way. Ignoring any of these factors will affect our seniority in some way. While many people plan ahead, both plannersand non-planners are often faced withfinancial, legal, and physical limitations thatcould not be envisaged earlier. Consequently, we can all use mentoring and guidance onsome level to get us to a senior comfort zone. Tom Eaglehouse discusses many of the issuesthat need to be considered and the ways that are available to protect our financial resources. Tom has written a well-researched and practicalbook that is timely, thought-provoking and offers down-to-earth answers. Answers toquestions you may have thought of butperhaps more importantly answers to questionsyou never even knew you should ask. The Elder Care Atlas can map the way aheadfor you...

Reviews

Most of these ebook is the best publication available. It is definitely simplistic but unexpected situations within the 50 percent of the book. You will not sense monotony at at any moment of the time (that's what catalogs are for relating to in the event you request me).
