## RED GRASS (PAPERBACK)

Tam Tam Books, United States, 2013. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Boris Vian (1920-1959) was a magnificent jack-of-all-trades--actor, jazz critic, engineer, musician, playwright, songwriter, translator--not to mention the leading social light of the Saint-Germain-des-Prés scene. His third major novel, Red Grass is a provocative narrative about an engineer, Wolf, who invents a bizarre machine that allows him to revisit his past and erase inhibiting memories. A frothing admixture of Breton, Freud, Carroll, Hammett, Kafka and Wells, Red Grass is one of Vian s finest and most enduring works, a satire on psychoanalysis--which Vian wholly and vigorously disapproved of--that inflects science fiction with dark absurdity and the author s great wit. Much in the novel can be regarded as autobiography, as our hero attempts to liberate himself from past traumatic events in the arenas of religion, social life and--of course--sex. Red Grass is translated by Vian scholar Paul Knobloch.
