SCARCITY, CONFLICTS, AND COOPERATION

Oxford University Press, New Delhi, India, 2005. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. This institutional framework of an economy defines opportunities for individuals, determines the business climate, and shapes the incentives and organizations for collective action by local communities in resolving their common problems. Institutional failures, weak accountability mechanisms, and missed opportunities for cooperative problem-solving are the main themes of the book, with the role of distributive conflicts in the persistence of dysfunctional institutions a common...
