Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It is not without some misgivings that I at length make public the strange history communicated to me by my lamented friend Humphrey Challoner. The outlook of the narrator is so evidently abnormal, his ethical standards are so remote from those ordinarily current, that the chronicle of his life and actions may not only fail to secure the sympathy of the reader but may even excite a certain amount of moral repulsion. But by those who knew him, his generosity to the poor, and especially to those who struggled against undeserved misfortune, will be an ample set-off to his severity and even ferocity towards the enemies of society.
