Reviews

*Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

NAKED CAKES

DOWNLOAD

Murdoch Books, 2015. Hardback. Book Condition: New. 21 x 25.4 cm. Fondant haters, lazy bakers and time-poor hosts rejoice! These naked cakes are achievable, budget friendly and swoon-worthy--and they provide an ideal opportunity to experiment with and display your individual creativity. Beautiful, rustic and organic in form, naked cakes are always tiered, with filling and frosting between layers but never on the outside--thus 'naked'. Within these pages you will find information on choosing a style of cake; how to make sweet fillings, butters and frostings as well as syrups; recipes for over a dozen base cakes including gluten-free and flourless options; a definitive listing of flavour profiles and combinations; beautiful cake toppers; and over a dozen assembled cakes for different occasions. Author, stylist and cook, Lyndel Miller also explains how to decorate your cakes with edible fresh and sugared flowers and fruits. Beautifully styled inspiration spreads show you how to set the scene for special occasions such as a baby shower, a simple eco wedding, a Mexican-inspired fiesta and a 'Bohemian dessert party' using handmade decorations such as garlands and bunting. All with stunning naked cakes as the centrepiece, of course!. Hardback.
