

Sleezy the Fox: Omnibus Edition (Paperback)

Filesize: 3.08 MB

Reviews

*Very useful to any or all group of men and women. It is written in basic words instead of difficult to understand. I realized this ebook from my i and dad recommended this publication to understand.

Createspace, United States, 2014. Paperback. Book Condition: New. Dave Bradbury, Joel Stephen Breeze (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As a growing child, the one thing that I experienced in abundance was second chances. In fact, I d go as far as to say that without having had my fair share of second chances, my life would have taken a much different course. Second chances were my life saver! Not surprisingly, one of my favourite books was Victor Hugo s Les Miserables, a story that was chiefly responsible for transforming me from Thief to that of Probation Officer in later life. I was also fascinated by the bible story of Christ telling His followers to turn the other cheek in circumstances where it seemed more natural to strike back. I eventually came to understand that the instruction of Christ to turn the other cheek wasn t so that the offender might strike you once more, but to afford him/her a second chance not to strike you again. Wherever the fault lies, whatever the character trait requiring changing happens to be or however the behaviour needs improvement, being provided with a second chance is essential to one s overall sense of well being. It may be that losing weight is what is required to getting a second chance at life or giving up smoking or abstaining from alcohol or drugs. One may need to address one s inappropriate behaviour of aggression, distrust, bullying, dishonesty, name calling or anything which adversely affects one s life and image. Whatever the unhappy state of being, a second chance may be what one requires to either give or receive. Sleezy the Fox is a book of four stories about the overarching theme of second chances
