Brand New Book ***** Print on Demand *****.Jillian Clareese Sinclair is the daughter of Scottish immigrants raised in the foothills of the Appalachians, or so she thought. She has lived most of her life stuck in the continuous cycle of the victim. When her abused and battered mind is ready to break the cycle, she realizes her true love, Maryjane, has always been by her side. The ghost of her grandmother visits her just as she realizes she is ready to start living life for herself and informs her, life is full of choices. Her battered body is transported through time to the days when the Legends of Scotland began. Throw in the legendary Baobhan Sith (vampires), the Wulvers (werewolves), and the magic wielded by the Shaman and the Fae, well then you have a classic Scottish tale to be believed!.
