

Cooking the Books (Paperback)

By Bonnie Calhoun

Abingdon Press, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. After her mother dies from a heart attack, Sloane Templeton goes from Cyber Crimes Unit to bookstore owner before she can blink. She also inherits a half-batty store manager; a strange bunch of little old people from the neighborhood who meet at the store once a week, but never read books, called the Granny Oakleys Book Club; and Aunt Verline, who fancies herself an Iron Chef when in reality you need a cast iron stomach to partake of her culinary disasters. And with a group like this you should never ask, What else can go wrong? A lot! Sloane begins to receive cyber threats. While Sloane uses her computer forensic skills to uncover the source of the threats, it is discovered someone is out to kill her. Can her life get more crazy? Bonnie Calhoun's first Sloane Templeton mystery, *Cooking the Books*, is one of the most delightful new fiction voices I've read in years. My only complaint--waiting for the sequel. If this book doesn't have you ROFLOL, you'd better check your pulse! --Jeanette Windle

Reviews

It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

An incredibly great book with perfect and lucid answers. Better than never, though I am quite late in starting reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
