Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.This book, completed in August 2012, analyzes the developments in Egypt from January 2011 to August 2012 and addresses the following questions that are pertinent to U.S. policymakers: How does the United States maintain good relations and preserve its strategic partnership with Egypt under Cairo s new political leadership and the changing political environment in the country?
