

Bach Music in the Castle of Heaven Vintage

By John Eliot Gardiner

Vintage. Paperback. Book Condition: New. Paperback. 672 pages. Dimensions: 0.0in. x 0.0in. x 0.0in. One of the Best Books of the Year *The Economist* *The Christian Science Monitor* *Financial Times* *Johann Sebastian Bach* is one of the most unfathomable composers in the history of music. How can such sublime work have been produced by a man who seems so ordinary, so opaque and occasionally so intemperate? John Eliot Gardiner grew up passing one of the only two authentic portraits of Bach every day on the stairs of his parents' house, where it hung for safety during World War II. He has been studying and performing Bach ever since, and is now regarded as one of the composer's greatest living interpreters. The fruits of this lifetime's immersion are distilled in this remarkable book, grounded in the most recent Bach scholarship but moving far beyond it, and explaining in wonderful detail the ideas on which Bach drew, how he worked, how his music is constructed, how it achieves its effects, and what it can tell us about Bach the man. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This book will be worth buying. Better than never, though I am quite late in starting to read this one. You may like how the blogger composes this publication.

-- Mrs. Kylie Oberbrunner II

It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).
