Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Morris Cruickshank)

OHIO

Black Dog & Leventhal Publishers. Hardback. Book Condition: new. BRAND NEW, Ohio, Erin McHugh, Alfred Schrier, Young readers are invited on a tour of the state considered to be America's "heartland," the state where more presidents were born than any other. Die-cut in the distinctive shape of Ohio, this delightful entry in the State Shapes series features lots of fun facts about Cleveland and Cincinnati, Lake Erie, and the hills and valleys of Appalachia. There's plenty of history, culture, folklore, plants, animals, sports, fairs, and more to be found within the covers of "State Shapes Ohio"--and plenty of fun, too.
