Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Landscape Gardening as Applied to Home Decoration The great progress made in the past fifteen years in out-of-door house decoration, the large increase in the number of beautiful ornamental trees, shrubs, and plants from many parts of the world, and the very great increase in the back to the country movement, make it desirable that this little volume, which has met with such an appreciative reception, be revised and brought up to date. The Author has therefore revised and rewritten much of the text, replaced many of the old illustrations and added a great many new ones. He has had the assistance of many specialists, whose advice will add much to the value of the volume. He is especially indebted to Professor A. C. Beal, of the New York State College of Agriculture, at Cornell University, for the revision of the chapter on hardy herbaceous plants, roses, sweet peas, etc.; to Messrs. Chas. A. Green, Henry A. Dreer, Harlan P. Kelsey, The Eastern Nurseries, and others for loan of cuts and assistance in obtaining them; to Mr. Frank A. Rugg for photographs, and to all who have so kindly assisted him in this revision. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
