Andy is a hardworking young engineer and is a key member of his petrochemical company's new project named PTA-44. He has a past where he flirted with many girls. There are people who have been left out of an opportunity to travel abroad, and they are gunning for Srinivas, the manager who travels with Andy. Andy does not want to get caught in this crossfire, but Srinivas's bad habits are likely to drag him to take a stand with one group. Mani, the boss of the unit, tries to keep the team together and tries to salvage an almost impossible situation. Andy is suddenly caught in a whirlwind of problems. His love life is threatened. Two key systems for which he was responsible are in deep trouble. Anand blends interesting characters with a futuristic remote operation control scenario and provides an interesting story for readers. With twists and turns in the tale and its fast pace, the reader is kept hooked to the story. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN.
