## The Dairy Contrarian: Cow s Milk Is for Baby Cows (Paperback)

By Joseph Lucier Aobta

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Common sense and human nature tell us that we should not drink milk from pregnant wild animals. Common sense also tells us that a human mother should feed their child with human mother s milk instead of store-bought formula milk powders. Importantly, eventually children should wean off of milk at a very young age. People should not drink milk of any kind throughout their entire lives. The Dairy Industry marketing propagandists push for lifetime consumption of pregnant animal milk. They want profits, not health for our children, family and friends. All of these products cause suffering and poor health. The cows are artificially inseminated then killed at a young age when unable to produce artificially and hormonally induced milk. Humans, when drinking wild animal milk get disease because our bodies are not so accustomed to foreign milk and proteins and also because we take in the animal medications, pesticides, animal hormones and antibiotics into our bodies along with the government accepted 5 pus allowance. This makes no sense at all unless you see the dairy and baby milk...
