## THE NEW STORY: STORYTELLING AS A PATHWAY TO PEACE

DOWNLOAD

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, The New Story: Storytelling as a Pathway to Peace, Inger Lise Oelrich, The shortest distance between two human beings is - a story. Without inspired passion things will not change. Storytelling is a social activity where two or more people are present. In a rich and lively picture language, ancient myths, wisdom tales, life stories and spontaneously created stories are shared in an appreciative way, where everyone has a voice. In THE NEW STORY, more than 30 tales from around the world and easy to do exercises give a fresh and encouraging take on how to bring about understanding, compassion and transformation in different life situations - whether at school, in worklife, at home with the family, in a quiet conversation with a friend or in the wider arena of international politics, mediation and social healing. Practical examples from all walks of life combine with leading edge contributions from six modern storytellers at work in places like Israel, Kurdistan and Sierra Leone. Storytelling activities foster and encourage the use of the spoken word over the destructive sword through non-judgmental listening and our creative imaginations. By accessing the new stories about who we are, we begin to heal the world. THE NEW STORY is a book about how to build living, sustainable relationships and being creative in our meetings with each other. Everyone can do it! This book will appeal to those looking to engender positivity and enthusiasm wherever they are, learning new skills to transform the past, honour the present and create a future together.
