Reviews

Totally one of the better publication I have actually read through. It really is rally fascinating throgh studying time period. Its been printed in an extremely simple way and is particularly just following i finished reading through this ebook in which basically modified me, modify the way i think.

(Mrs. Maudie Weimann)

WOLF STORY

The New York Review of Books, Inc. Paperback. Book Condition: new. BRAND NEW, Wolf Story, William McCleery, Warren Chappell, This irresistible book is about: a father; his five-year-old son, Michael (intelligent, crafty, addicted to stories); Michael's best friend Stefan (stalwart listener, equally addicted to stories); and, well-what else?-a story. Oh, and a wolf. It is (it's what Michael always demands) a Wolf Story, which begins one night at bedtime and spins wildly on through subsequent bedtimes and Sunday outings to the beach and park in a succession of ever more trickily tantalizing episodes. Waldo the wolf is sneaking up on Rainbow the hen, when Jimmy Tractorwheel, the son of the local farmer, comes along. After that, there's no knowing what will happen next, as while stalled in traffic jams or nodding off at night, the boys chime in and the story races on and Waldo finds if not necessarily dinner, his just desserts. First published in 1947 and wonderfully illustrated by Warren Chappell, William McCleery's Wolf Story is a delicious treat for fathers and sons and daughters and mothers alike.
