Many people love to read fiction and by writing it, you can boost your creativity muscles, entertain readers by telling a story and if your story is good enough, you may even be able to get published and makes lots of money. However, like any craft, fiction writing requires a great deal of practice and precision to create a story that will captivate your audience and hold their attention. There are many elements to writing fiction that many writers don t even know about. In this book, you will discover everything you need to do in order to write a successful, exciting, and well-structured fiction story. You ll discover the things that you can do before you actually start writing, how to get into the creative flow state, how to structure and design your book and things you can do once you ve reached the end of the story. Plot, characters, dialogue, techniques, and strategy are just a few of the things you will learn how to master. You ll also learn the importance of defining your audience, picking your genre, inserting your theme and everything else that your readers will demand. Finally, you will discover how to write a killer ending to keep your readers coming back for more! If you re going for the gold in fiction writing, don t attempt to write your story until you ve learned all the best elements that should be in a book. Writing a story can be hard, so the best way to...
