Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Seeing Europe Backwards The following sketch of a motor trip through Normandy, Picardie, around Paris and environs and up and down the British Isles is not intended as a guide book or fragment of history, but a floating picture in motion as water passing under a bridge. Our pilot at the wheel did service in the Balkans as a dispatch rider during war days, and en route amused us with many tales - among them the story of the famous Scotchman, Sir H L who gave his chauffeur three hearty cheers for a Christmas present. We echo a similar sentiment with respect to our friend and offer - Three earty cheers for Driver Ball! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
