Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.

University of New Mexico Press. Hardback. Book Condition: new. BRAND NEW, Map of the Lost, Miriam Sagan, Centered in northern New Mexico, this collection of poetry describes a series of journeys that create maps of place and memory. The poems travel south to deserts both mythical and real, east to childhood and the past, west to the Pacific and notions of Buddhism, and north to Alaska and a cold transcendence. Each section concludes with a return home where reflection charts locations and people lost to everything from the passage of time to urban renewal.
