This book covers all four mandatory units so learners have relevant and specific content to complete the new 2012 award. It covers all the underpinning knowledge and understanding needed at Level 2 to help learners prepare for this course. Combining the expertise of the BTEC team, the content looks at a learning, teaching and assessment point of view, with renewed focus on assessment activities including the new external assessment. Activities in each unit provide support and guidance for learners and can be used in the classroom or for independent work. The new BTEC Assessment Zone guides learners through the challenges of both internal (units 2-4) and external assessment (unit 1) with examiners tips and support for external assessment. 208 pp. Englisch.
